DESCRIPTION

The Perun 3 Mini is a compact, high-lumen rechargeable right-angle light that combines white and red light options in a versatile, portable design. As an upgrade to the Perun 2 Mini, it delivers 14% more white light, reaching up to 1,250 lumens. The red light features low, high, and SOS modes, ideal for night vision and emergency use. An upgraded headband and headlamp bracket allow quick switching between handheld and headlamp use, supporting a wide range of applications—from professional use to outdoor activities and everyday tasks. The magnetic tail enables secure attachment to iron surfaces and supports convenient magnetic charging. A stainless steel pocket clip offers flexible carry options, and the upgraded stainless steel button improves both durability and tactile response, delivering a premium user experience across varied environments.

FEATURES

- **Compact and Powerful:** Delivers up to 1,250 lumens with a 155-meter beam distance, providing exceptional performance for mid-to-close-range illumination in a compact form factor.
- **Long-Lasting Runtime:** Powered by a 650 mAh rechargeable battery, the Perun 3 Mini offers up to 10 days of continuous use in Moonlight mode, minimizing the need for frequent recharging.
- **Dual Light Sources for Versatility:** Features 5 white light modes and 3 red light modes, making it adaptable for various scenarios. The red light is ideal for preserving night vision or serving as an emergency signal.
- **Upgraded Headband and Bracket:** The lightweight headband features breathable holes, anti-sweat strip, and reflective material for enhanced comfort and safety. The quick-detach bracket allows easy transitions between headlamp and handheld use.
- **Multi-Scene Adaptability:** Compact design paired with a stainless steel pocket clip, lanyard hole, and magnetic tail ensures easy carry and hands-free use, making it ideal for work, outdoor activities, home use, and more.
- **Refined Metal Button with Battery Indicator:** The durable stainless-steel button adds a premium tactile feel and improved durability. A laser micro-perforated tri-color power indicator provides instant, reliable battery status updates.
