Produktdetails

Produktbild	Funktionen
	Made of lightweight plastic and available in bright colors, this double-gated gated carabiner has ultra-handly dual spring gates that will hold, secure, and connect everything from house keys and cell phone holsters to technical camping gear. Attach valuables to the center bar for ultimate security, link gate ends to a second set of items and anchor, or connect many items together. This medium size #4 connects everything from water bottles (to belt loops or backpacks), boots, skates, waders, sports gear, and garden gloves (to garage hooks and hanging straps), reusable grocery bags (to closet pegs and grab handles in your car). Identify at a glance while you organize - choose different colors to differentiate sets of keys, luggage, car fobs, ski passes, and all your other organized personal
