

Argus Series B330

## Smart 5MP Wire-Free Camera with Motion Spotlight

- Person/Vehicle Detection
- Color Night Vision
- Battery/Solar Powered
- 5GHz/2.4GHz WiFi

# Product Introduction

## 5MP

### 5MP Super HD

2X clearer than 1080p HD. More details, better visual experience.

### Color Night Vision

Keeps recording in full color with spotlight on after sundown.

### Rechargeable Battery

Zero-cable installation. Long-lasting on one charge.

### Person/Vehicle/Pet Detection

Discerns people and vehicles from other objects. More accurate alerts.

### Better WiFi Connection

Flexibly set up with 5GHz or 2.4GHz WiFi for stronger & more stable signals.

### Solar Powered

Reduces your electric bill & is environmentally friendly.

# Standalone Operation, Intelligent & Convenient

Install the fully equipped standalone battery camera anywhere, and you can enjoy the features without a base station, complex settings, or subscription fees. Set it up easily and immediately enjoy person/vehicle detection, color night vision, and more.

Shed

Driveway

Indoor

Backyard

# New Smart Detection Tech

With the on-camera technology of analyzing person and vehicle shapes, Argus Series B330 offers accurate detections , and thus greatly reduces the false alarms on trivial objects' movements.

- Person/Vehicle/Pet Detection
- Accurate Alerts
- Without Subscription

# Talk Like You're Here

Built-in mic & speaker allow you to listen and talk back to whoever the camera catches in real time: A "hello!" to friends or a "Get away!" to foes.

## Double Warning for the Unwelcome

Once an intruder is detected, the camera's spotlights and siren will be triggered or manually activated to warn off the would-be criminal. Stop the crime before it happens.

- Siren (customizable)
- Spotlights

## Eco-Friendly and Cost-Saving

- **Rechargeable Battery**

Powered by a long-lasting rechargeable battery, Argus Series B330 can work without any cables and run well even during a blackout.

*\*Comes with the camera. Non-removable.*

- **Solar Powered**

Keep the battery fully-charged with Reolink Solar Panel. You are free from replacing and charging the battery for good. Set the cam up and forget it.

*\* Sold separately. Designed for Reolink battery-powered cameras ONLY.*

# 5MP Super HD Day & Night

With 5MP (2880x 1616) resolution and built-in spotlights, this battery camera keeps recording in full color day and night, producing sharp, clear footage for more visual details.

- In black & white night vision mode

- In color night vision mode

- Day

## Dual-Band WiFi

Endure no more long waits and enjoy a smoother live view with the faster speed and stronger signal brought by the 5GHz (5.8GHz) WiFi. Feel free to switch between the 2.4GHz and 5GHz bands for the best network performance in multiple scenarios. One more choice, lots of conveniences.

2.4/5 GHz Dual-Band

# Super Fun Time Lapse

Argus Series B330 with time lapse makes it quicker and easier to capture the dynamic of long-term events like sun rising and flower blooming. Have fun shooting movie-like videos!

## Flexible Storage Options

Use a micro SD card (up to 128GB) for local storage and later playback. You can also choose to store event videos in Reolink Cloud. Encrypted cloud storage takes care of your data security.

Micro SD Card Slot

Reolink Cloud
