

E Series E340

Pan-Tilt Indoor Camera for Any Budget

- 5MP Super HD
- Person/Pet Person & Auto Tracking
- 2.4/5 GHz Dual-Band WiFi
- Two-Way Audio

Product introduction

Person/Pet Detection

Distinguishes people and pets from unimportant objects and triggers alarms more accurately.

5MP Super HD

See and record precious moments in remarkable clarity.

Easy to set up

Minutes to install. Easy to move it to new locations as needed.

355° Pan & 50° Tilt

Control it to spin, and see areas where fixed cam cannot reach

Auto Tracking

Automatically follows people and pets to record their every move.

3X Optical Zoom

See details in clarity from afar with optical zoom.

More Powerful, Still Small

Meet new generation of Reolink E1 series. Advanced features - 5MP Super HD & optical zoom are added into this compact camera. Plus two-way audio, remote live view and more smart capacities help you connect with what you care. Be closer to families and be away from worries.

- Home

- Kids

- Pets

Clear, Even When You Zoom in

Catch a glimpse of your house in Super HD. Or zoom in to see the details of what you care, without image impairment. E Series E340 is also doing well at night, with 10pcs IR LEDs to cover up to 40ft in low-light conditions.

Updated Smart Detection Technology

The latest update to people and pet detection! By combining this feature with the motion zone, you receive instant alerts and can quickly react when your children, the elderly and pets approach dangerous areas or someone breaks in.

Pan & Tilt for Auto Tracking

The camera can rotate 355° and tilt 50° to cover more areas. In addition, it automatically follows people and pets and records the status and routes of children, the elderly, pets, as well as intruders. You can also rotate the camera manually.

- Auto tracking is available only in the horizontal direction.

Dual-Band WiFi for Reliable Connection

Both 2.4 GHz and 5 GHz WiFi connection are available. You can have a reliable signal and more options of wireless connection.

- 2T2R MIMO Antennas

- 2.4/5 GHz Dual-Band

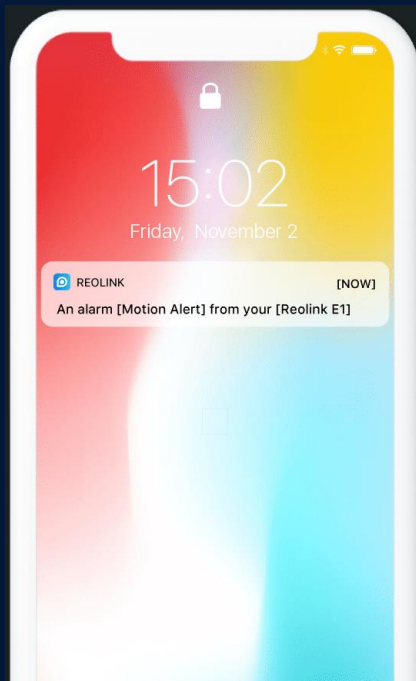

Convenient Remote Access, Anytime & Anywhere

With only a few taps or clicks on Reolink App or Client, you can access your camera and check your property anytime, anywhere.

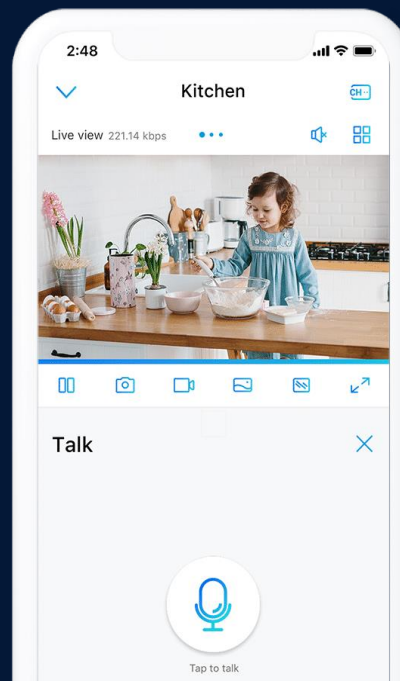

Get Real-Time Alerts That Matter

- App
- Email
- Siren

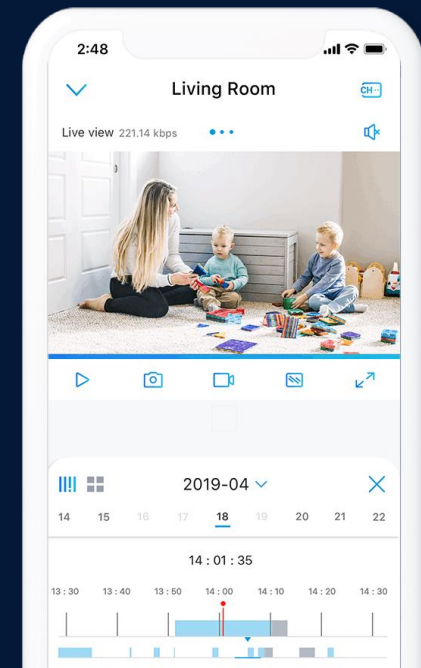

See, Hear and Talk over the Camera

View live feed and stay aware of what's happening at home.

Flexible Recording Options
