

Pulverbeschichtete Alu-Profil in Anthrazit

Einfaches Anbringen mit Klettband

Leichte Lamellen aus verstärktem Polyestergewebe

Schließt nahezu geräuschlos

Alu-Magnet-Lamellenvorhang

- Pulverbeschichtete Profile aus hochwertigem Aluminium
- Schnelles und einfaches Anbringen durch selbstklebende Aluhalteleiste und seitlichem Klett- und Flauschband
- Polyesterlamellen mit eingesäumten hochwertigen Magneten schließen nahezu geräuschlos
- Individuell kürzbar
 - Auch bei Miete und Vollwärmeschutz geeignet

Rideau à lamelles magnétiques

- Profilé revêtu de poudre en aluminium de haute qualité
- Rapide et facile installation grâce à l'auto-adhésif bande de retenue en aluminium et latérale Bande velcro et polaire
- Lamelles en polyester avec aimants de haute qualité les aimants se ferment presque sans bruit
- Raccourcissement individuel
 - Convient également pour la location et l'isolation thermique complète

Tela a lamelle con magnete

- Profilo verniciato a polvere in alluminio di alta qualità
- Facile e veloce installazione grazie all'autoadesivo striscia di ritenzione in alluminio e laterale Velcro e nastro in pile
- Stecche in poliestere con magneti di alta qualità i magneti chiudono quasi senza rumore
- Accorciabile individualmente
 - Adatto anche per il noleggino e l'isolamento termico completo

Aluminium magneet lamelgordijn

- profielen met poedercoating van hoogwaardig aluminium
- Snelle en eenvoudige montage door zelfklevende aluminium bevestigingsstrip en laterale klittenband en fleece tape
- Polyester lamellen met gefelste magneten van hoge kwaliteit sluiten bijna geruisloos
- Afzonderlijk inkortbaar
 - Ook geschikt voor verhuur en volledige thermische isolatie

Lamellgardin med magnet i aluminium

- Pulverlackerade profiler av högkvalitativt aluminium
- Snabb och enkel montering tack vare självhäftande fästlist av aluminium och kardborreband på sidan
- Polyesterlameller med högkvalitativa magneter stängs nästan ljudlöst
- Kan kortas individuellt
 - Även lämplig för uthyrning och full värmeisolering

Hliníková magnetická lamelová clona

- Práškové lakované profily z vysoce kvalitního hliníku
- Rychlá a snadná instalace díky samolepící hliníkové přídržné liště a boční pásce se suchým zipem a smýčkou
- Polyesterové lamely s vysoce kvalitními magnety se zavírají téměř bezhlučně
- Individuálně zkracovatelné
 - Vhodné i pro pronájem a plnou tepelnou izolaci

Hliníková magnetická lamelová opona

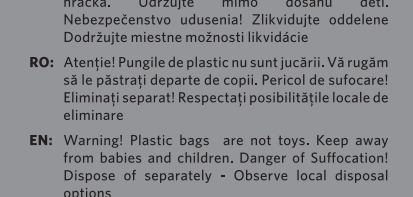

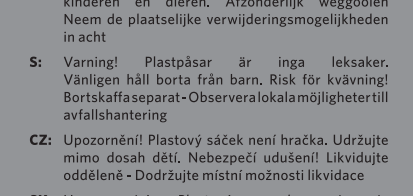

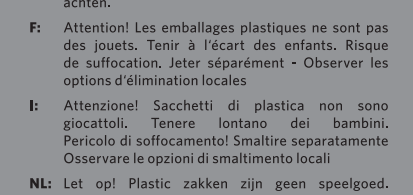

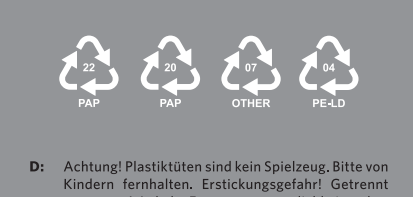

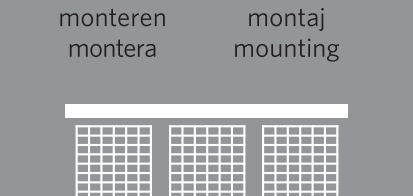

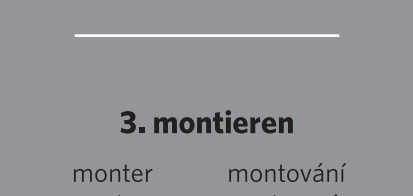

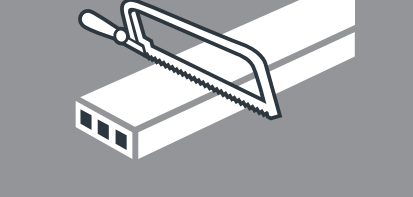

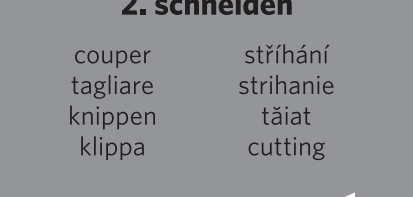

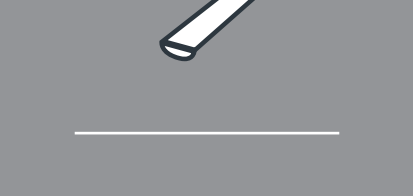

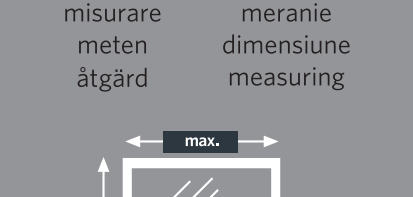

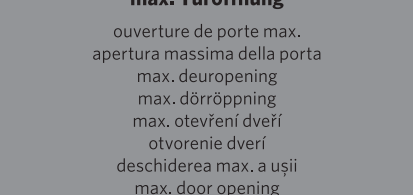

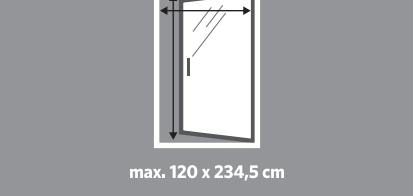

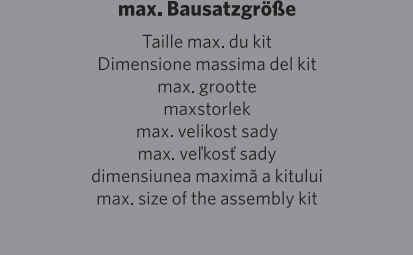

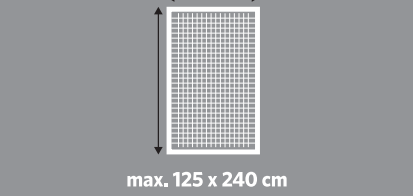

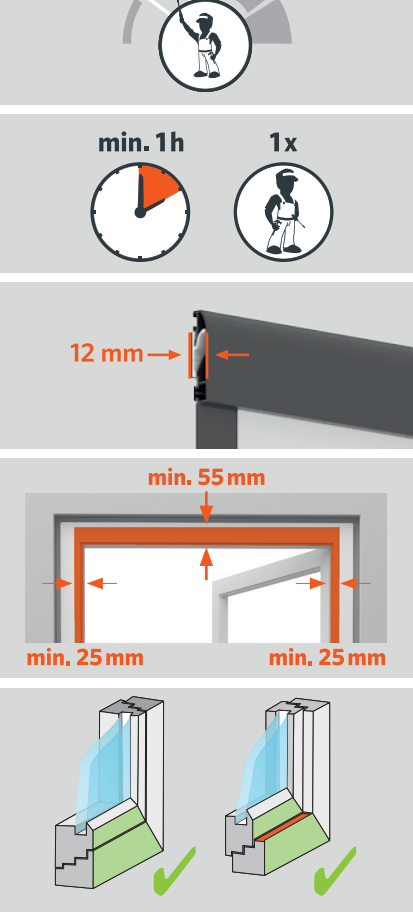

- Prášково lakované profily z vysokokvalitného hliníka
- Rýchla a jednoduchá montáž vďaka samolepiacej hliníkovej upevňovacej lište a bočným suchým zipsom a fleecovej páске
- Polyesterové lamely s vysokokvalitnými magnetmi sa zatvárajú takmer bezhlučne
- Možnosť individuálneho skrátenia
 - Vhodné aj na prenájom a úplnú tepelnú izoláciu

Aluminiu magnet lamella cortina

- Profile acoperite cu pulbere din aluminiu de înaltă calitate
- Montare rapidă și ușoară datorită benzii de fixare autoadezive din aluminiu și a benzii laterale Velcro și a benzii fleece
- Lamele din poliestere cu magneti de înaltă calitate se închid aproape fără zgomot
- Se pot scurta în mod individual
 - De asemenea, potrivit pentru închiriere și izolare termică completă

Aluminium magnet lamella curtain

- Powder-coated profiles made of high-quality aluminium
- Quick and easy mounting due to self-adhesive aluminium retaining strip and lateral Velcro and fleece tape
- Polyester slats with high-quality magnets close almost noiselessly
- Individually shortenable
 - Also suitable for rental and full thermal insulation
